

## **Carmacks Support Program Yukon River Quest**

For those teams that will not be travelling with support, there is the opportunity to hire Carmacks Support Crews. This crew is available for the Carmacks Check Point only and will support your team in the following:

- Tent & Mattress set up and tear down
- Claiming of any bags sent by truck from Whitehorse
- Clean & Refill all potable water containers
- Clean out boat (we will not throw anything away unless you specify it is trash or you place it on the ground)
- Wake up call at requested time
- Money for shower (coin operated showers, cost is included in fee)
- Show you around and guide you once off the river
- Aid with ordering of any meal from Canteen (any food ordered will be an additional cost beyond the support fee. If you would like to pre-order your meals and pre-pay at registration we can make arrangements)
- Help re-loading boat for departure (you must do your own safety check)

You are responsible for the following:

- Personal belongings and valuables should be kept on you, or in a secure area
- Do your own laundry (we will aid in this, however we will not take responsibility for switching loads or waiting in line for machines)
- Your safety check before you depart (we will help load your boat, however we will NOT act as a representative for your official check)
- Cooking your meals

**Please note:** It is mandatory for you to have a tent and bedding in your boat for safety reasons. It is advisable to pack a second tent and mattress in your extra bags that get sent by truck from Whitehorse to Carmacks and then on to Dawson. This way we can claim your bags for you and have your tent and mattress set up when you arrive off the river, otherwise there may be a chance you will have to wait for us to set up your tent before you can sleep.

Fees are as follows:

Solo Team \$50

Tandem Team \$80

Voyager Team \$300

Support fees must be paid for at registration and we accept cash only for this.

We will be present at the team registration on Tuesday, June 28<sup>th</sup> from 10-2:30 if you have any questions or to register. To pre-register or to ask any questions please

email [advancedbusiness@outlook.com](mailto:advancedbusiness@outlook.com). We will do our best to accommodate any special request, however please email us as soon as possible so we can discuss options.
